## Temagami Update on COVID-19

March 16, 2020

The Municipality of Temagami have been and is continually monitoring COVID-19 and is working closely with the Timiskaming Health Unit and community partners to take preventative measures and respond appropriately.

The risk to individuals for COVID-19 in our district currently remains low, but we are taking proper precautions to help protect the health of our community and have implemented enhanced cleaning and sanitization of our public facilities.

Municipal facilities, including the Municipal Office, Temagami Public Library, Public Works, Temagami/Marten River Fire Departments, Ambulance Department and the Community Recreation Centre and Arena, will be closed to the general public until further notice. Public inquiries can be made by telephone at 705-569-3421 or by email at [communicate@temagami.ca](mailto:communicate@temagami.ca), during regular hours 8 a.m. to 4:30 p.m.

The Municipality of Temagami is taking precautions against COVID-19 and are cancelling all Municipal Facilities/Recreation Events including the postponement of Municipal Committees and Board Meetings until further notice.

The best way to protect yourself is by taking preventative measures and do the following proper hygiene practices such as:

- regular handwashing or the use of alcohol-based sanitizers
- not touching your face
- covering your cough or sneeze
- social distancing
- and staying home when sick

The Municipality will continue to follow the guidance of health authorities and will provide updates should new information become available, or the situation evolves.
