

THE CORPORATION OF THE TOWNSHIP OF TEMAGAMI

BY-LAW #89-217

Being a by-law to establish a policy of commitment by the Township of Temagami to the continuing education and training of councillors and staff.

THEREFORE the Township of Temagami ENACTS AS FOLLOWS:

- 1 . that the municipality is committed to the continuing education and training of councillors and staff;
2. that all councillors and staff members are eligible participants (staff members to be included - Clerk, Treasurer, Waterfront Co-Ordinator, Town Superintendent and secretaries);
3. that courses related to the administration of the municipality will be eligible. Courses to include, Municipal Administration program, organization of local government, decision-making courses, auditing, budgeting and bookkeeping courses; financial management; strategic planning; personnel management and labour relations; leadership, team building and courses designed to improve writing, presentation and computer skills .
4. that financial assistance will be obtained through the Municipal Treasurers applying, in writing, on forms provided by the Ministry of Municipal Affairs, detailing the expenditures related to education and training activities;
5. that assistance will be obtained from the Ministry of Municipal Affairs in the form of a rebate of 50% of education and training expenses to a maximum of \$750.00 for each calendar year;
6. that the Township will set aside \$1500.00 for 1989 towards education and training for council members and staff members named above.
