Attention: Kara McMillan, Economic Development Intern

Dear Ms. McMillan:

Re: LIC Application - Elgin IPM 201 0

I am pleased to inform you that the Board of Directors for South Temiskaming Community Futures Development Corporation (STCFDC) has approved your application to the Local Initiatives Fund. The total amount of support of \$3,000 will be disbursed to you to assist with costs of the joint Cobalt-Coleman-Latchford-Temagami exhibit at the 2010 IPM held in Elgin County.

Variations from the original project plan could constitute a breach of the agreement and further funds would not be forwarded without the approval of the STCFDC.

Upon completion of the project, the STCFDC will require a final report from the applicant summarizing the project and its results in the community/region. In order to achieve accountability to our stakeholders, the results will form part of the STCFDC's annual report to FedNor and will be available to the general public. Your final report should include the number of partners involved and the dollars contributed by each partner, the number of volunteer hours, and the total cost of the project.

For accounting purposes, the STCFDC will be disbursing against invoices. Therefore, I would ask you to provide this office with invoices for all advertising / marketing expenses totalling or exceeding the amount to be received by you together with your final report, as soon as possible in order that we may disburse funds to you.

We ask that approved applicants acknowledge the support of STCFDC and FedNor/Industry Canada, by using their respective logos in the marketing of this event. As part of *this Contract*, the applicant agrees that STCFDC will approve all promotional/marketing/advertising materials before being printed, to ensure correct use of the logo provided.
