Do you know how much your possessions are worth?

Store this pamphlet, along with your receipts, in a safe place or online and review it every year, since the value of your possessions can change. This pamphlet is a checklist. If you need more space to jot things down, attach additional pages. Keep invoices, receipts, warranties and instruction manuals for your more valuable possessions, as they can serve as proof of ownership.

Do you have enough coverage for your possessions?

To avoid nasty surprises in the event that you need to make a claim, be sure to secure coverage for the full value of your possessions.
