Council Meeting Summary – June 12, 2025 (6th Regular Meeting of Council)

Council met for its Regular Meeting on June 12, 2025, addressing numerous items related to land development, financial planning, planning policies, and administrative procedures.

Council approved the listing and conditional sale of two surplus municipally owned properties: 7 Hillcrest Drive and 14 Hillcrest Drive. The proposed terms require that construction begin within two years and occupancy be achieved within three years, with potential reversion clauses enforced if conditions are not met.

Council reviewed and directed staff to release the second draft of the 2025 municipal budget to the public. Feedback will be collected before final adoption. A comprehensive reserve fund overview was also received, confirming all obligations and available balances to support future capital needs and policy objectives.

Following a statutory public meeting, Council deferred the Zoning By-law Amendment 25-01, facilitating alignment with the updated Official Plan and addressing development-related zoning improvements. Council also passed by-laws to regulating false alarms to the fire department and final approval of the by-law restricting unauthorized use of municipal lands.

A decision was made to move future Council meetings to the Community Theatre. The location change will include a full audio-visual equipment upgrade using existing budget lines, improving sound quality and video streaming for both in-person and remote participants.

Council also approved an in-kind donation of arena rental to the Temagami Lions Club for their upcoming summer fundraiser. In a move to streamline meeting agendas, Council decided that resolutions from other municipalities will no longer be placed on the agenda for action but will instead be circulated as information only.
